To My Patients:

It is with mixed emotions, that I inform you of a decision I have made to move to central Florida so that I may be close to my elderly parents. I have been with Pediatric Partners for 15 years and throughout that time formed many rich relationships. I have enjoyed my work as a pediatrician and as a member of this community. It has been my privilege to partner with you in the care of your children.

My last day will be September 27, 2017. Dr. Schechtman and his staff are working with me to transition my patients to other doctors within our practice.

Thank you for all your support over the years. If you have any questions please call the office at 561.741.0000.

My best,
